Property Description

RARE VILLA FOR SALE IN CENTRAL FUENGIROLA

A rare opportunity to live in one of Fuengirola's most desirable locations—just a short stroll from the beach and all amenities, yet tucked away on a peaceful street within a well-established urbanisation. Properties in this area rarely come to market, making this an exceptional find.

The 3 bedroom villa is solidly built with excellent quality and fine finishes throughout. Its spacious living and dining area is full of character, featuring a cozy fireplace, soaring ceilings with decorative wooden beams, and a beautiful solid wood library. For music lovers, an original piano adds a unique touch of charm. Numerous windows flood the interiors with natural light, creating a bright and airy atmosphere that enhances the sense of space. The rustic breakfast kitchen is both practical and stylish, complete with a Villeroy & Bosch sink.

The main bedroom is generously proportioned with a large en-suite bathroom and large built-in wardrobes. Two further bedrooms, each with their own spacious wardrobe spaces share a second bathroom. One of these rooms also benefits from an additional study, offering flexible space for work or hobbies.

Outdoors, the villa is designed for relaxed Mediterranean living. The easy-to-maintain garden includes a large private pool, a covered terrace with built-in barbecue, perfect for enjoying summer

evenings. Multiple areas encircle the home, offering serene spaces to enjoy the sun or evening breezes. The recently automatic garage door ensures seamless access and convenience.
