Designed as a comfortable and inviting family home, the property is sold fully furnished and ready to move into. It is distributed over three levels, offering a well-balanced layout between social spaces and privacy. The main floor features bright open-plan living and dining areas and a big plus is the kitchen with its own entrance, and a home office. The lower level is dedicated to leisure and flexibility, with an additional guest bedroom with en-suite bathroom, a large lounge area ideal for a TV or entertainment space, and a pre-installed area ready for a bar. There is also a gym room with an industrial style (ready to be equipped) and a cozy private cinema room.

Outside, the villa offers a beautifully landscaped garden with plenty of space for children to play, a private pool area, and a shaded barbecue area perfect for relaxing and entertaining all year round.
